Front-End Developer

Victor Bivol

About me

I'm a motivated young professional seeking my first job. I completed a course and a 3-month internship in the financial sector, where I learned COBOL and banking software basics. I'm eager to grow and contribute.

Work experience

Back-End Developer Internship · ION Group · Chişinău

February 2025 - May 2025 · 3 months

I completed a 3-month internship in the financial sector, where I learned COBOL and gained insight into how large-scale banking software systems operate.
